

CIS 2024

April 30 - May 1, 2024  
Ottawa, Canada

# SECURE the GAP, CONNECT the STRENGTH

## About Us

CIS 2024 is a premier cybersecurity conference, leveraging the power of collaboration to address the most pressing cybersecurity challenges. Our gathering brings together renowned experts from various industries, offering unique insights into cyber threats, protective measures, and industry trends. We aim to promote robust cybersecurity practices, thereby empowering businesses to securely embrace the technologies of tomorrow.

Welcome to the official website of the Cybersecurity Identity Summit 2024, where we convene industry experts, business leaders, and cybersecurity professionals from around the globe. Our mission is to connect, educate, and fortify the cybersecurity community by exploring innovative solutions, sharing knowledge, and closing the gap in cybersecurity capabilities.

### CONFERENCE

CIS 2024 will offer custom-tailored masterclasses and an exclusive professional development stream tailored especially for business leaders covering four topics:

- Cybersecurity,
- Digital Identity,
- AI Security,
- and Quantum Computing.

### Tracks: Business and Technology

Conference Business Track & Technology Track: Unite business and technology leaders at our dual-track conference. Foster leadership development and address business challenges on the Business Track. Exchange knowledge and discover technical solutions on the Technology Track. Converge, converse, and conquer cybersecurity.

### ATTENDEES:

Why Attend CIS 2024: Discover innovative cybersecurity solutions, network with industry leaders, and gain expert insights on tackling cybersecurity challenges. CIS 2024: A platform to enhance knowledge, stimulate innovation, and drive business growth in a secure digital landscape.

The participants are offered three development stream to follow at CIS 2024.

#### 1) GENERAL ADMISSION: Explore the Digital Frontier

- Two-Day Pass to the Summit Open to everyone - from novices to tech enthusiasts.
- Keynote sessions featuring leading voices in cybersecurity and digital identity.
- Live hacking demos the Exhibit Hall showcasing the latest.

## Join The Global Cyber Community

Witness representatives from 80+ countries converge at CIS 2024. From government entities to tech magnates, leverage our B2B platform for pre-scheduled business meetings and collaborative sessions. The conference spans various sectors, from finance to health, each addressing unique challenges and untapped opportunities.

## SECURE the GAP, CONNECT the STRENGTH!

Join us in leading the way to a safer digital world.
